

K.A.N
9X5
snapshot auction

WHO IS K.A.N?

Kimberley Arts Network was established to meet the unique needs of the remote and culturally diverse arts community of WA's Kimberley region.

WHAT IS THE K.A.N SNAPSHOT AUCTION?

In order for KAN to become incorporated and better serve you we require funds. The KAN snapshot auction "KAN 9x5" is an opportunity for artists to showcase a snapshot of their art in a small format artwork, which would be donated for auction to help raise the funds necessary to kick off KAN in earnest.

Artists would submit an artist statement with their piece which would be displayed with their work, offering other artists and the general public the opportunity to immerse themselves in the diversity that is our local art scene and to get to know the artists therein.

CONDITIONS

- artworks must be no larger than 30x30cm including mount
- canvasses must be stretched, works on paper must be sleeved and mounted
